With Yellow Fever Is Formal Surrender of the City by Gen. Toral—Articles Gen. Duffield.

Germany Will Back Down In the Irene Bluff at Manila.

TO A MISUNDERSTANDING.

Washington, July 18.-(Special.)-A telegram received this morning at the War Department states that Brigadier General Duffield is down with yellow fever at the Siboney hospital. Gen. Duffield comes from Detroit and is a personal friend of Secretary Alger. He commanded a brigade composed of the Sixth Massachusetts and the 33rd and 34th Michigan. He is a man well advanced in years and has been sick for a week or more with fever, which has developed into yellow

Gen. Merriam Will Command The Fourth Manila Expedition.

San Francisco, July 18 .- (Special.) - Maj. Gen. Merriam has as med command of the expeditionary forces. It is said, in spite of the immense amount of work that has been thus shouldered on this com mand, active preparations were continued on the vessels of the fourth Manila expedition. There has been a final inspection of the Pennsylvania and the troops designed for her are expected to embark to-day. The troops that are detailed for the Pennsylvania are the 1st Montana Regi ment and the recruits for the 1st California. The South Dakota Regiment is to go on the Rio de Janeiro. It is doubtful if the Rio de Janeiro

will be ready by Tuesday. The delay is in putting in the bunks. worked all day Sunday. There is so far no sign of the St. Paul, du from St. Michael. She is now a week overdue, but has probably had to wait for river steamers.

The Utah light battery of volunteers artillery received orders this moraing to prepare and be ready and embark on the Rio de Janeiro without delay. It consists of 105 officers and men, Lieut. Wedgewood commanding. He is, however, too ill to go. No one has as yet been as signed to his place. They are about to get a new armament of four

pieces. At present they have only two.

San Francisco, July 18.—(Special.)—The transport Pennsylvianis will probably not start for the Philippines until Wednesday.

London, July 18 .- (Special.) - A Berlin dispatch to the Daily News

"The Irene incident in Subig Bay was probably due to differences between the German Navy Department and the foreign office. The former has been very self confident since the seizure of Kia Chou Bay. Possibly the Philippine squadron was instructed to display military dash and moved without diplomatic action. Nothing at present would be more disagreeable to the cabinet than friction with the United States." The dispatch adds that a letter from a German resident at Manila says the Americans are auxious above all to prove themselves gentlemen, and thus heap coals of fire on the head of the Spanish Governor, who in a proclamation described them as the scum of mankind,

WALPOLE'S MISFORTUNE.

Fined Heavily, Charged With Running a Blind Tiger.

W. P. Walpole, who formerly ran a butcher shop at Gracey, is in se-rious trouble in Trenton. From Gracey he went to Pembroke and thence to Trenton, where he has been operating what seemed to be a been operating what seemed to be a butcher shop. This morning he was put on trial charged with run-ning a blind tiger and the proof against him was so conclusive that the court gave him a fine of \$100. which Walpole, in the absence of which Walpole, in the absence of cash, will have to pay by work on the streets of Trenton. He has a large family and a wife almost blind, who will be left without re-sources while he is in the hands of the law.

Route is Changed.

The regiment of volunteers which col. W. J. Bryan has recruited in Nebraska will not pass through Louisville. It was intended that Louisville. Louisville. It was intended that part of the regiment should go South by way of Louisville, but for reasons of his own, Col. Bryan wanted to go through Nashville and Atlanta. The contract was changed Atlanta. The contract was changed to suit the Colonel, and the volunteers will go by St. Louis over the Illinois Central, the Nashville, Chattanooga & St. Louis and the Georgia Central.

CHERRY BROTHERS

Coming With a School Proposition This Week.

More About the Prospects for th Big Normal and Business College.

Hopkinsville really has a good chance to secure the Cherry Broth ers School. Judge Leavell has re ceived the following letter from the proprietors of the school:

stitutions.

Hopkinsville would make a capital place and is well located for a big school.

tal place and is well located for a big school.

Very truly yours,

CHERRY BROS.

Writing upon the same subject Prof. L. W. Guthrie says in a letter to Mr. F. W. Dabney:

"Hopkinsville is on the right road to secure one of the bestand largest Normal and Business Colleges in the South. I have seen Prof. H. H. Cherry and he endorsed what I have said to you.

Cherry Bros. desire a permanent location for their schools and I think Hopkinsville can furnish them with what they require. They now have an architect at work on plans

what they require. They now have an architect at work on plans for a building that will be required by the school and it will be large enough to accommodate 1000 stu-dients; also a boarding hall for that number.

The plans will be ready in a shor time to be submitted to the council for action. Hopkinsville cannot af-ford to miss this opportunity of se-curing such a school."

curing such a school."

There is a growing interest in the prospect for securing this college and the council will receive with satisfaction any reasonable proposition Cherry Brothers able proposition Cherry may have to make.

MORE BURGLARY.

Mr. C. A. Brasher's Dwelling House Entered Saturday Night.

The dwelling house of Mr. C. A. Brasher was entered by a burglar some time Saturday night. The thief broke the transom over a cellar window and entering the cellar, made his way into Mr. Brasher's sleeping apartments, where he took a pocket-book containing \$2.25 in small change. Returning to the cellar he took about twenty pounds of lard and left without molesting of lard and left without molesti any other valuables. No clew w left by which he could be identifi-The burglar was evidently w acquainted with the premises.

Buck Leavell is the Latest.

The bicycle fever has broken out in another fresh place. Judge Buck Leavell has caught it. He took a day off from his judicial duties Sunday and broke in a fine young wheel that had never been taught the gaits. The performance took place on South Virginia street in the afternoon. The women and children were removed to places of safety and the judge mounted his charger in a fearless manner and, after an hour or two victory was perched on his banner. Barring a few attempts of the wheel to lie down and run into the barbed wire fence by the roadside, there was no great difficulty in breaking it in Judge Leavell was able to be at his office this morning, but various and sundry bruises about his person attested to the unusual manner in which he observed the Sabbath. The bicycle fever has broken ou
